

# NORTH CAROLINA GLOBAL TRANSPARK

## Unmanned Cargo Aircraft Conference Sponsoring Packages

September 9-11, 2019

Greenville Convention Center, Greenville, North Carolina, USA

## Scope:

The Unmanned Cargo Aircraft Conference aims to bring together manufacturers, operators, knowledge institutes, consultants, shippers and government organizations active in the upcoming field of unmanned cargo aircraft.

## Focus topics of the conference are:

UCA business models: how to earn money with UCA?

UCA configurations:

Large / medium size

Last mile delivery

Urban space delivery

Medical supply drones

Regulatory / Legal issues

What can UCA contribute to economic and social development?

Market analysis

Air Traffic Management (ATM) / UAS Traffic Management (UTM)

Integration of systems / technologies required for UCA to operate

**Who should attend:** Shippers | Carriers | Research institutions | Military | Aircraft manufacturers | System Integrators | ICT suppliers | Logistic service suppliers | Entrepreneurs | Investors | Airports | Governmental Institutions | Cargo Companies | Fulfilment companies | Retailers | E-tailers | Consultants | Air navigation service providers | Civil aviation authorities | Data and software providers | Infrastructure operators | Telecommunication companies

The Unmanned Cargo Aircraft Conference is a unique opportunity to exchange ideas and network with this pioneering community of unmanned cargo researchers, engineers, business developers and end-users.

**Become an Exhibitor!**

**\$1,000**

**Interested in showing your products and/or services to a wide, though targeted group of interested professionals? Join the exhibition!**

The conference attracts a wide range of industry stakeholders and includes full industry coverage from component suppliers to manufacturers. Plus, it offers you extensive network opportunities with business partners, buyers, legislators, and end-users.

**Whether your company is big or small, exhibiting at the Exhibition gives your company a powerful platform for:**

- Increased market visibility and presence
  - Brand building
- New product presentation and demonstrations
- Having face-to-face meetings with new and existing clients
  - Obtaining full international media exposure
  - Meet new partners, suppliers and more
